# About Global Trade Hub

Global Trade Hub is a fast-growing Indian export company focused on delivering premium agricultural and food products to international markets. We specialize in sourcing high-quality products while maintaining strong operational excellence, ethical business practices, and long-term global partnerships. With deep expertise in supply chain operations and international trade coordination, we aim to bridge Indian agricultural producers with buyers across the world.

## Mission

To connect Indian agricultural producers with global markets through quality-driven sourcing, reliable supply chain operations, and transparent business practices.

## Vision

To become a globally trusted export brand known for excellence in agricultural trade, operational reliability, and sustainable global partnerships.

## Our Product Portfolio

- Rice
- Coffee
- Makhana (Fox Nuts)
- Cashew
